Section 1. The improvement or purpose described in Section 3 of this bond ordinance is hereby authorized to be undertaken by the City of Englewood, in the County of Bergen, New Jersey (the "City") as a general improvement. For the improvement or purpose described in Section 3 hereof, there is hereby appropriated the sum of money therein stated as the appropriation made for the improvement or purpose, such sum amounting to \$1,305,500 including the sum of \$62,500 as the down payment for the improvement or purpose required by the Local Bond Law. The down payment has been made available by virtue of provision for down payment or for capital improvement purposes in one or more previously adopted budgets.

Section 2. In order to finance the cost of the improvement or purpose not covered by application of the down payment or otherwise provided for hereunder, negotiable bonds are hereby authorized to be issued in the principal amount of \$1,243,000 pursuant to the Local Bond Law. In anticipation of the issuance of the bonds, negotiable bond anticipation notes are hereby authorized to be issued pursuant to and within the limitations prescribed by the Local Bond Law.

Section 3. (a) The improvements hereby authorized and the purposes for which the bonds or notes are to be issued is the acquisition of equipment and trucks for the City's Department of Public Works, including, but not limited to, garbage packers fit with snow plows, dump trucks, four wheel drive dump trucks, multi use tractor with V-plow and salt spreader, and a brine storage tank and pumping system, and including all work and materials necessary therefore or incidental thereto.

(b) The estimated maximum amount of bonds or notes to be issued for the improvement or purpose is as stated in Section 2 hereof.

(c) The estimated cost of the improvement or purpose is equal to the amount of the appropriation herein made therefor.

Section 4. All bond anticipation notes issued hereunder shall mature at such times as may be determined by the chief financial officer; provided that no note shall mature later than one year from its date. The notes shall bear interest at such rate or rates and be in such form as may be determined by the chief financial officer. The chief financial officer shall determine all matters in connection with notes issued pursuant to this bond ordinance, and the chief financial officer's signature upon the notes shall be conclusive evidence as to all such determinations. All notes issued hereunder may be renewed from time to time subject to the provisions of N.J.S.A. 40A:2-8.1. The chief financial officer is hereby authorized to sell part or all of the notes from time to time, at not less than par and accrued interest, at public or private sale and to deliver them to the purchasers thereof upon receipt of payment of the purchase price plus accrued interest from their dates to the date of delivery thereof. Such report must include the amount, the description, the interest rate and the maturity schedule of the notes sold, the price obtained and the name of the purchaser.

Section 5. The capital budget (or temporary capital budget as applicable) of the City is hereby amended to conform with the provisions of this bond ordinance to the extent of any inconsistency herewith. In the event of any such inconsistency and amendment, the resolution in the form promulgated by the Local Finance Board showing full detail of the amended capital budget (or amended temporary capital budget as applicable) and capital program as approved by the Director of the Division of Local Government Services is on file with the Clerk and is available there for public inspection.

Section 6. The following additional matters are hereby determined, declared, recited and stated:

(c) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the office of the City Clerk, and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey. Such statement shows that the gross debt of the City as defined in the Local Bond Law is increased by the authorization of the bonds and notes provided in this bond ordinance by \$1,243,000 and the obligations authorized herein will be within all debt limitations prescribed by that Law.

(d) An amount not exceeding \$250,000 for items of expense listed in and permitted under N.J.S.A. 40A:2-20 is included in the estimated cost indicated herein for the purpose or improvement.

(e) The City reasonably expects to commence acquisition and/or construction of the improvement or purpose described in Section 3 hereof, and to advance all or a portion of the costs in respect thereof, prior to the issuance of bonds or notes hereunder. To the extent such costs are advanced, the City further reasonably expects to reimburse such expenditures from the proceeds of the bonds or notes authorized by this bond ordinance, in an aggregate not to exceed the amount of bonds or notes authorized in Section 2 hereof.

Section 7. Any grant moneys received for the purposes described in Section 3 hereof shall be applied either to direct payment of the cost of the improvements or to payment of the obligations issued pursuant to this bond ordinance. The amount of obligations authorized hereunder shall be reduced to the extent that such funds are so used.

Section 8. The full faith and credit of the City is hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the City, and the City shall be obligated to levy ad

valorem taxes upon all the taxable real property within the City for the payment of the obligations and the interest thereon without limitation of rate or amount.

Section 9. After passage upon first reading of this bond ordinance, the City Clerk is hereby directed to publish the full text of the bond ordinance, together with the notice set forth below entitled: "NOTICE OF PENDING BOND ORDINANCE" (with appropriate completions, insertions and corrections), at least once in a newspaper qualified under N.J.S.A. 40A:2-19, at least seven days prior to the date set for public hearing and further consideration for final passage (which date shall be at least ten days after introduction and first reading). The City Clerk is further directed to comply with all provisions of N.J.S.A. 40A:2-17(b) regarding postings, publications, and the provision of copies of this bond ordinance.

Section 10. After final adoption of this bond ordinance by the City Council, the City Clerk is hereby directed to publish the full text of this bond ordinance, as finally adopted, together with the notice set forth below entitled: "NOTICE OF ADOPTION OF BOND ORDINANCE" (with appropriate completions, insertions and corrections), at least once in a newspaper qualified under N.J.S.A. 40A:2-19.
