Minutes of December 10, 2012

Motion for Approval made by Crystal Brown, Seconded by Jack Silberman

Motion approved unanimously

Old Business:

### I. Sustainable Jersey Re-Certification

1. Sustainable Jersey has streamlined the recertification process with a new website.
2. We have 70 points that are unexpired at this time.
3. We went through the other areas and prioritized areas for documentation for recertification (see attached notes).

### II. Tree Grant and Inventory

1. New Arborist—Paul Cowrie has been hired!
2. Clyde and Lynne are meeting with him on Feb 27 to discuss the timing of the community Forestry plan and tree inventory. The grant will only be enough to start an inventory—but Paul has a plan for how we can continue to add to it over time.
3. Can volunteers or student employees help?
