- *MyEnglewood* - The deadline to submit content to Louis Scriven is end of the day **Wednesday, May 20, 2015**. The content submitted will go into the June publication. The next publication is August 2015.

(I'd like to see the EEC continue to submit articles. For the upcoming issue, perhaps Chelsea can draft a peice for Commissioner review. ie; thank the volunteers and institutions that joined the Earth Month activites, publish a few 'environmental reminders', solicit Green Team volunteers, etc.)
