**HEALTH DEPARTMENT
POSITION AVAILABLE**

Youth Health Educator – Part/Time

Local health agency seeks a part-time youth health educator. Bachelor's degree in related field required; CHES a plus. Experience with mainstream/troubled youth, community groups, family life issues (including teen pregnancy prevention and STIs/AIDS) essential. Program includes pre-diabetes education and awareness curriculum for youth.

Innovative ideas and enthusiasm wanted. Good writing/public speaking skills required. Flexible schedule to include evenings/weekends as needed. Email resume to Assistant to Director:
