

Chapter 7. LEAD.

NOTE: Lead is covered by Chapter 13 of the New Jersey State Sanitary Code.
ANALYSIS

Section

7-1. Repainting and inspection prior to occupancy.

7-1. Repainting and inspection prior to occupancy.

In addition to the requirements of Section 4.5 of Chapter 13 of the New Jersey State Sanitary Code, all repainting mentioned under that Section shall be completed prior to occupancy or issuance of a Certificate of Occupancy. The Health Officer shall make a final inspection prior to an occupancy upon application by the responsible owner or superintendent of the premises.
