Fire Prevention Tips

Make Sure there is a Working Smoke Detector on every level of your home.

Plan two ways out of your home in event of a fire and practice that plan.

Careless smoking is the leading cause of fire deaths in North America.

Matches and Lighters are for adults only. Store them up high, away from kids.

Always stay near cooking to monitor it closely. Keep cooking areas clear of combustibles and wear clothes with short, rolled up sleeves to prevent burns.

Keep space heaters at least 3 feet away from combustibles. Never plug them into extensions cords. Always shut them off before you go to sleep.

Always charge electronics with the original charger to prevent fires. Never place a charging cell phone under a pillow while you sleep.

Store a fire extinguisher on every level of your home. Make sure it has an ABC rating suitable for any type of fire.

Blow out all candles before you leave a room or go to bed. Consider using flameless candles as a safer alternative.

How do I report a streetlight outage?

You can log into PSEG.com and register for PSE&G MyAccount. Once logged in, click on Outages & Leaks. Next, click on Report Streetlight Outage. You can also call 1-800-436-7734.

It is important to provide information regarding the location and status of the streetlight. One of the most important pieces of information is the pole number. If there is no pole number on the pole, give the full address of the home or business in front of which the pole is located, or provide the pole numbers of the poles on either side of the malfunctioning light. If the pole is at an intersection, provide the names of the two streets.

Landmarks such as schools, libraries, train stations, etc., are other good identifying pieces of information for pole locations. If the pole is in a parking lot, provide the name of the business where the parking lot is located.

It is helpful to tell us the current condition of the streetlight. Is it out? Is it going on and off? Is it on during the day? Is it making unusual sounds? Are the light, and/or the pole missing? This information should be provided when you report a streetlight outage to help us identify the problem.

Streetlight Outages

To report a problem with a streetlight, please call
1-800-436-PSEG (7734)

or login to My Account
www.pseg.com/myaccount

Click on Outages & Leaks, then
click on Report Streetlight Outage.

The following information will assist us in expediting repairs:
• Is the light off at night or on during the day?
• Is the fixture or pole damaged or missing?
• Street and nearest cross street
• Nearest house number
• Pole number
• Your name and phone number
PSE&G has more than 475,000 streetlights, decorative lights, and area lights on its system.

We can use your assistance by letting us know when they are not operating properly.

How does the streetlight get repaired or replaced?

After a report is received by PSE&G, a lamp inspector will investigate the problem. The majority of streetlight malfunctions are related to a light bulb or photo cell. The lamp inspector will replace the complete streetlight head if the repair is more complicated. Once reported, repairs are usually completed within a few days.

If there is no power to the light, the streetlight outage report is referred to the engineering department to investigate. Repairs typically consist of replacement of the pole, or repair/replacement of the supply wiring, and take additional time to complete.

The customer will be provided with the name and phone number of the engineering technician doing the investigation.

Once the source of the problem is determined, the engineering technician will create work orders for the underground or overhead construction department to complete repairs. The customer can call the engineering technician directly for updates on the repair of the light.

Not all poles and lights are owned and maintained by PSE&G

Not all street and area lighting are provided by PSE&G. Street lighting owned and operated by the Department of Transportation may appear on New Jersey state highways. Businesses and municipalities occasionally install their own lights in parking areas. It is the responsibility of those businesses and municipalities to maintain and repair those lights.

PSE&G’s lighting fixtures use a photo control to determine when the lights come on and go off. Privately owned lights are usually controlled by a timer.

PSE&G’s poles will have numbers stenciled on them.

Examples of pole numbers
## SOLID WASTE CURBSIDE COLLECTION SCHEDULE FOR 2023

### REGULAR SCHEDULE

DPW DROP-OFF RECYCLING YARD/TRANSFER STATION

City of Englewood Recycling Yard/Transfer Station
www.cityofenglewood.org
175 South Van Brunt Street
(201) 568-3401

Hours of Operation
Monday thru Friday - 9:00 AM to 2:00 PM
Saturdays as noted on the calendar

WHAT CAN BE LEFT AT THE RECYCLING YARD?
The Recycling Yard accepts Paper/Cardboard, Plastic/Metal/Glass, Electronic Waste, Metal and Appliances, and Books. NONE of these items should be placed with regular garbage. When leaving items at the Recycling Yard please follow these instructions:

- BREAK DOWN and flatten all cardboard boxes—do not leave packing material in boxes.
- Take all items out of plastic bags. Recycle plastic bags at DPW Yard or your local grocery store.
- The Recycling Center CANNOT accept Styrofoam. Place Styrofoam in regular garbage.
- Please do not place regular garbage in ANY of the recycling containers.

LEAF COMPOST DROP-OFF FACILITY
Residents may bring their leaves to Recycling Yard during the week between 9:00 AM to 2:00 PM.
No professional landscapers are allowed to use this facility. Seasonal weekend hours are posted on the website at www.cityofenglewood.org.

LEAF DISPOSAL GUIDED BY STATE DEP STORMWATER RULES
NJDEP Storm water Pollution Prevention regulations require us to change how we think about the disposal of leaves. For reasons of safety, environmental protection and to maintain a tidy appearance around the City, we encourage you to either mulch mow, compost or dispose of your leaves in biodegradable paper bags. If you bag your leaves, please remember the following rules:

- Containers no larger than 50lbs.
- Leaves should be set out only in biodegradable paper bags.
- Leaves that are set out in plastic bags will not be collected.
- Leaves set out for collection must be free of limbs and branches.
- 10 inches away from storm drains.

Electronic Waste Drop-Off Facility (E-Waste Recycling)
Electronic Waste Recycling can be dropped off at the Recycling Yard located at 175 South Van Brunt Street, Daily Monday through Friday from 9:00am to 2:00pm. Saturdays as noted in calendar.

Electronic Waste items accepted:
- Computers
- Computer Monitors
- Hard Drives
- Copy Machines
- Fax Machines
- Keyboards
- Laptops
- Microwaves
- Modems
- Printers
- Scanners
- Speakers
- Stereo Equipment
- Televisions
- Toaster Ovens

Recycling/Garbage Cans
Can be ordered by calling 201-568-3401 or email garbage@cityofenglewood.org
Cans cost $50.00 for 95 gallon

All residents entering the recycling yard and the transfer station must provide proof of residency when using the recycling yard.
Contractors will not be permitted to enter or use the center on a resident's behalf.
BCUA RECYCLING
