It is a continuing program that directs all marketing activities towards the Housing Region in which the municipality is located and covers the entire period of the deed restriction for each restricted housing unit. The City of Englewood is located in Housing Region 1, consisting of Bergen, Hudson, Passaic and Sussex Counties.

8. The Affirmative Marketing Plan is a continuing program intended to be followed throughout the entire period of restrictions and shall meet the following minimum requirements:

The developer/owner shall disseminate all public service announcements and pay for display advertisements.

i. A random selection method to select occupants of very low-, low- and moderate-income housing units will be used by the respective Administrative Agent designated for the affordable housing units in conformance with N.J.A.C. 5:80-26.16. The Affirmative Marketing Plan shall provide a regional preference for all households that live and/or work in Housing Region 1 comprised of Bergen, Hudson, Passaic and Sussex Counties.

j. The respective Administrative Agent for affordable housing units shall administer the Affirmative Marketing Plan. The respective Administrative Agent has the responsibility to income qualify very low-, low-, and moderate-income households; to place income eligible households in very

m. The implementation of the Affirmative Marketing Plan for a development that includes affordable housing shall commence at least 120 days before the issuance of either a temporary or permanent certificate of occupancy. The implementation of the Affirmative Marketing Plan shall continue until all very low-, low- and moderate-income housing units are initially occupied and for as long as affordable units exist that remain deed restricted and for which the occupancy or re-occupancy of units continues to be necessary. Please note that in addition to complying with this City-wide Affirmative Marketing Plan that the Administrative Agent shall also review and approve a separate Affirmative Marketing Plan for every new affordable development in Englewood that is subject to N.J.A.C. 5:80-26.1 et seq. That document shall be completed by the owner/developer and will be compliant with the City’s Affirmative Marketing Plan as presented herein, and incorporate development specific details and permitted options, all subject to the review and approval of the City’s Administrative Agent.

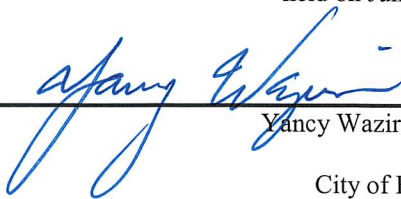

n. The respective Administrative Agent shall provide the Municipal Housing Liaison for the City of Englewood with the information required to comply with monitoring and reporting requirements pursuant to N.J.A.C. 5:80-26.1 et seq.

o. II. RANDOM SELECTION

2. Describe the random selection process that will be used once applications are received.

The Administrative Agent will assign random numbers to each affordable housing applicant for each City of Englewood affordable housing project through a computerized random number generator. Following the City's initial lottery for a given project, the lottery numbers in any subsequent lottery will begin after the last existing lottery number on the City waiting list for that project. Applicants with existing lottery numbers will retain their lottery numbers.

After the list of applications submitted for a specific project during the initial lottery period is exhausted, the priority of preliminary applications is established by the date the household submitted their preliminary application (Preapplication Date) - first come, first served.

In addition to the random number assigned to the household and/or the Preapplication date, there are other factors impacting waiting priority which are described below.

- **Regional Preference:** Applicants that indicated that they lived or work in Englewood City's Affordable Housing Region 1 (Hudson, Bergen, Passaic or Sussex Counties) will be contacted first. Once those applicants are exhausted, New Jersey resident applicants outside Region 1 will be contacted. Once all New Jersey resident applicants are exhausted, applicants not living in New Jersey will be contacted.
- **Household Size:** Whenever possible, there will be at least one person for each bedroom. If the waiting list is exhausted and there are no in-region households with a person for each bedroom size, units will be offered to smaller sized in-region households that do not have a person for each bedroom. The Administrative Agent cannot require an applicant household to take an affordable unit with a greater number of bedrooms, as long as overcrowding is not a factor. A household can be eligible for more than one unit size category.
- **Fully Accessible Units:** A household with a person with physical disabilities will get preference on the waiting list for the very limited number of accessible units that might be included in a given affordable housing project. If there is more than one household with a person with physical disabilities on the waiting list, in-region households with a person for each bedroom will be contacted first. Applicants must provide a letter from their doctor stating what kind of accommodation they require as a result of their disability.
