Route 4 lane closures in both directions required this weekend as bridge project advances in Englewood Jones Road and interchange ramps also to be closed and detoured

(Trenton) – Route 4 is scheduled to have lane closures and temporary stoppages in both directions on Friday as the Jones Road Bridge Replacement Project advances in Englewood, Bergen County. In addition, Jones Road and the Jones Road/Route 4 interchange ramps will be closed and detoured for the installation of steel beams.

Route 4 eastbound Lane Closure (Daytime)

From 12 noon until 5 p.m. Friday, April 12, the right lane on Route 4 eastbound is scheduled to be closed at the Jones Road overpass to create a work zone for the delivery of steel beams. At least two lanes will be maintained on Route 4 eastbound during daytime construction. Motorists are advised to slow down, use caution, and expect delays.

Route 4 Lane Closures and Temporary Stoppages in both directions (Overnight)

Beginning at 11 p.m., Friday, April 12, until 5:30 a.m. Saturday, April 13, the right and center lanes on Route 4 eastbound and the right lane on Route 4 westbound are scheduled to be closed for the installation of steel beams on the Jones Road Bridge over Route 4. At least one lane will be maintained in each direction during construction. Motorists are advised to slow down, use caution, and expect delays.

In addition, between 11:59 p.m. Friday, April 12, and 4 a.m. Saturday, April 13, 15-minute temporary stoppages of traffic are scheduled on Route 4 in both directions. Motorists are advised to plan an alternate route.
